Westbrook Spring Arts & Crafts Fair 2026

The WDC **Thirty-Seventh Annual Westbrook Spring Arts & Crafts Fair** will be held on **Sunday, June 7, 2026** from 10:00 a.m. to 4:00 p.m., rain or shine, on the Westbrook Town Green.

The Green is located in the center of town at the intersection of Routes 1 and 153, just off Exit 65 of I-95. The site has high visibility; there is ample parking around the Green and across the street; and there is no admission fee for the public.

Entries are limited to **original, handcrafted or hand produced or designed items**. Packaged consumables for off-site consumption are permitted. All entries must be fully described on the Application Form and **photos must be submitted**. New photos are not required if we have your photos on file and your art/craft has not changed. Photos should clearly show representative items as well as overall booth appearance. For jewelry, we also require a workroom picture (this requirement cannot be waived). Jury decisions will be based upon the exhibitor's primary craft; secondary crafts will be allowed only if included on the application and not deemed duplicative of another's primary craft. All exhibits must be professional in appearance. Any exhibitor whose booth does not comply with the above standards or whose art/craft is not deemed to be as represented on his/her application will be asked to leave and no refund will be given. Exhibitors shall not hold the WDC liable for damage to any items displayed at the event.

Set up begins at 7:00 a.m. Convenient onstreet parking is available to vendors during set up and take down. Vendor parking is provided nearby during the day and all vehicles are required to be moved to this lot in order to keep the onstreet parking available for shoppers. The site size is 12' x 12'. All spaces are located on grass. Vendors are responsible for their own tents, tables, and displays. Electricity is NOT available.

Please complete the attached Application Form and return it with the required site fee and appropriate photo(s). Only mailed and paid submissions will be eligible for jurying. **The first jury date is March 1, 2025 with responses mailed by March 15. Checks will not be cashed until the application is accepted.** A second jury date for remaining spaces is April 1 with rolling jurying after this date IF spaces remain.

Please note that in order to help ensure a profitable day for all, we limit the number of entries in any one category. If all else is considered equal, decisions will be based on the day of receipt of the application. It is not uncommon for some categories to meet quota and close after the first jury date. Last year we reached capacity in almost all categories on the first jury date. If spaces remain after May 15, a late fee of \$5 is added to the application fee. Site fees will be returned after the jury date to any exhibitors who cannot be accommodated. Exhibitor photos will not be returned until after 1:00 p.m. on June 7.

The event is rain or shine. There is no rain date in the case of inclement weather.
No refunds will be issued.

Inquiries may be made to Marilyn at mozols@snet.net or (860) 227-5399 or to Pat at (860) 227-4289. Note - emails are generally returned the same day; phone responses may take longer.
